

COMMUNITY CAPITAL MANAGEMENT, LLC

JOB DESCRIPTION: SOFTWARE DEVELOPER

LOCATION: WESTON, FL or REMOTE

START DATE: IMMEDIATE

Community Capital Management, LLC (CCM) is seeking a highly motivated and organized candidate to develop and support all facets of the firm’s proprietary technology. The prospective candidate will work closely with the portfolio management and technology teams on the research, design building, and testing of software related to our portfolio management, trading, and impact platform. This includes building and enhancing software that will capture and distribute real time market data, track portfolios, integrate order and execution systems, and develop interactive analytical tools to be used by the investment team.

QUALIFICATIONS

- A minimum of 2 years’ experience of the below is required:
 - Programming: C#, .Net, MS Access, Excel Macros (Python, R, Java knowledge is a plus)
 - Database: MS SQL Server, SQL and T SQL, Stored Procedures
 - Business Intelligence: Tableau Online and Desktop
- Knowledge about the asset management industry is preferred but not required
- Passion for programming
- The ability to quickly learn to navigate complex data scenarios in the financial domain
- BS or MS in Computer Science
- Experience working on software projects independently or with a team outside of academic coursework
- Reliable, accountable and can work without supervision
- Develop structured, well organized, and self-documented code
- Critical Thinking
- Excellent communication skills to all stakeholders

HOW TO APPLY

For consideration, please send cover letter and resume to jobs@ccminvests.com; reference “Software Developer” in the subject line.

ABOUT CCM

Founded in 1998, Community Capital Management (CCM) is a privately-held investment management firm headquartered in Ft. Lauderdale, FL with employees in Boston, MA; Charlotte, NC; Southern CA; and the greater New York City area. The firm seeks to deliver superior risk-adjusted returns through investment strategies that contribute to positive environmental and social outcomes. The firm provides investment management services to institutions and individuals through mutual funds and separate accounts. CCM’s vision is to be the premier impact investment manager providing client-driven solutions and excellent client service.
