The Program is designed to provide exposure to the key areas of Impact Core Fixed Income management with the ideal candidates having strong analytical and math skills. The Analysts will report to the portfolio manager(s) and work closely with the entire investment team.

DUTIES AND RESPONSIBILITIES

- Participate in CCM’s analyst rotation program, which includes but is not limited to:
 - Conduct investment research and financial analysis across core fixed income opportunity set.
 - Analyze and research investment opportunities for both Community Reinvestment Act (“CRA”) and impact criteria.
 - Support portfolio managers in trade execution, risk analysis, and portfolio construction.
 - Assist in due diligence on securities, industries, and market trends.
 - Work closely with the distribution team to analyze client portfolios and investment solutions.
 - Contribute to impact and financial reporting.
 - Develop models, presentations, and reports to support investment decisions.
 - Participate in cross-functional projects and meetings with exposure to senior leadership.
 - Assist / collaborate with other stakeholders across the Firm such as marketing, sales, operations and senior management on ad-hoc requests.
 - Meet specific daily/weekly/quarterly deliverables for the program.

QUALIFICATIONS

- Bachelor’s degree is required.
- A minimum of 2 years of related industry experience is preferred; impact investing interest or experience is encouraged.
- Proficiency in MS Office, Bloomberg,
- Passion for the financial markets and ability to voice an opinion
- Candidate must be detail oriented with ability to manage and prioritize workload to meet strict deadlines.
- Capable of working collaboratively within a team or individually to accomplish common objectives.
- High attention to detail; self-starter; great team player; positive attitude.
- Shows proficiency in improving work methods and procedures as a means towards greater efficiency
